Wylder Nation Foundation is determined to improve the lives of children diagnosed with a Lysosomal Storage Disease by accelerating the discovery and development of treatment options.

### Facts

- TODAY 48 babies will be born with a Lysosomal Storage Disorder, and most will not live to see their 5<sup>th</sup> birthday
- Individually Lysosomal Storage Disorders are extremely rare, but combined they effect roughly 1 in 7,700 children
- There are more than 50 different identified LSD'S
- Currently there are no cures for these devastating diseases, and only a handful have an FDA approved treatment

## To our Prospective Sponsors;

The *Living Like a Warrior* Gala is an unforgettable night of inspiration, entertainment, and hope, with the ultimate goal of raising awareness and funds to accelerate the discovery and development of treatment options for children diagnosed with the ultra-rare Lysosomal Storage Diseases Acid Sphingomyelinase Deficiency (ASMD), also referred to as Niemann-Pick Disease Types A & A/B.

Research funded by Wylder Nation Foundation over the past few years has led to the discovery of the first potential treatment options to address the rapidly progressive neurological involvement associated with ASMD, as well as new potential biomarkers to monitor the progression of the disease, and efficacy of new treatments.

This innovative research, coupled with our drive to improve these children's lives has recently led to multiple FDA approvals for Single Patient IND's (Investigation New Drugs) to treat several children throughout the US suffering from the most severe form of ASMD, which is currently uniformly fatal typically by 3-years of age.

Hope is on the horizon, however there is still much more that needs to be done to improve health outcomes for the entire ASMD community, and supporting our *Living Like a Warrior* Gala is one way to help us ensure that one day every child diagnosed with this disease will get a chance at life.

The *Living Like a Warrior* Gala is scheduled for **November 18, 2023 at Scottsdale Hangar One in Scottsdale, AZ.**

**The evening will include the following;**

- Red Carpet Arrival and Photographs
- Cocktail Hour with Passed Hors d'oeuvres and Open Bar
- Silent Auction
- Plated Dinner with Dessert
- Special Entertainment Performance to be Announced
- Awards Ceremony to Honor Some Over Achievers Already *Living Like a Warrior*
- Live Auction and Help Fund a Treatment Opportunity
- After Party with Live Entertainment & Dancing

In the following pages of this sponsorship package you will find detailed information about the Gala and how you, as a sponsor, can receive maximum benefits and exposure. Please join us in the fight. You too can be a WARRIOR and help provide HOPE in the form of treatment options for children that currently have none, and ultimately help reduce the number of children's lives taken by ASMD and other Lysosomal Storage Diseases. Together we can and will win this fight. Thank you so very much in advance for your sponsorship consideration, and for supporting Wylder Nation Foundation.

If you have any questions or require our assistance, please do not hesitate to contact us.

With Hope Always,

Steven Laffoon
